PROFESSIONAL SUMMARY

Motivated Full Stack Developer with solid knowledge of HTML5, CSS3, JavaScript, React.js and SQL. Skilled in building responsive, user-friendly interfaces and robust back end systems through coursework and personal projects. Quick learner with a passion for web technologies and a commitment to developing innovative solutions. Eager to contribute to team success and gain professional experience in full stack development.

PROJECTS

Project: Personal Portfolio Website | Front-end Development

Duration: 1 Month

Technologies: HTML, CSS, JavaScript

Description:

Environment: Windows

Team Size: Individual

- Designed and developed a responsive personal portfolio website to showcase skills, projects, and accomplishments.
- Implemented responsive design techniques to ensure cross-device compatibility and optimized user experience on mobile, tablet, and desktop devices.
- Ensured cross-browser compatibility, adhering to web standards and accessibility guidelines.
- Integrated SEO best practices to enhance online visibility and search engine ranking.

Project: Blogging Website | Full-Stack Development

Duration: 2.5 Months

Technologies: React.js, Node.js, Express.js, MongoDB

Environment: Windows
Team Size: 3 Members

Description:

- Developed a blogging website enabling users to share insights and experiences, utilizing React.js for dynamic front-end and Node.js for server-side operations.
- Integrated MongoDB for scalable data storage and collaborated using Agile methods for continuous enhancement.

Project: To-Do List Application

Duration: 1.5 Months Environment: Windows Languages/Database: Python Team Size: individual

Description:

Developed a user-friendly to-do list application to help users manage their tasks efficiently
Implemented features such as task creation, editing, deletion, and marking tasks as completed.

EDUCATION

Bachelor of Technology in Computer Science

Seth Jai Parkash Mukand Lal Institute of Engineering and Technology

Session: 2020-2024 | Score: 85.87%

Intermediate (CBSE)

SD Adarsh Public School, Kunjpura Road, Karnal Session: 2019-2020 | Percentage: 75%

Matriculation (CBSE)

SD Adarsh Public School, Kunjpura Road, Karnal Session: 2017-2018 | Percentage: 79.4%

SKILLS

Programming Languages: C/C++, Python, JavaScript

Web Development: HTML, CSS, React.js

Database Management: SQL

Other Skills:

Data Structures and Algorithms Software Engineering

Version Control (Git) Responsive Design Agile Methodologies

Software Engineering Practices Problem-solving

platforms.

Problem-solving
Cross-browser Compatibility

ACADEMIC ACHIEVEMENTS

Participated in Kavach (Coding Contest)

• Got certification for coding in various

Solved 400+ questions in Coding Platforms.

Participated in Seminar organized by TCS.
